63/2008 - CORRESPONDENCE AND OTHER MATTERS- Moor Farm, Park Lane

Land Clearing taking place close to Travis Perkins on Park Lane, close to Hogwood Trading Estate. A site visit was carried out on Fri 4th April with Cllr W Chapman and WBC has written to the owners of the site which is called Moor Farm. Spoke to J Steepe on 6th May, land owned by 3 people, fly-tipping evident on land, WBC is meeting with a representative of the owners, and an enforcement notice or clean-up notice will be served. Mr Steepe has written to the owners asking that the land be cleared: they have until the end of August 08. No clearing has commenced on the site. A letter was sent to Ms J Jackson at WBC asking for an update. She wrote to FPC on 22.10.08 the site is actively being cleared, Mr Steepe has visited the site and work is continuing. Progress on clearing the site is slow. Ms Jackson gave an update and an Enforcement Officer has been in contact with the owner again.

Email received from Ms Jackson on 18th May, works are continuing to clear the site and Mr Steepe is regularly monitoring the situation and visited the site a few weeks ago. On 11th Aug Mr Steepe informed FPC that much of the land has now been cleared, however it has 4 owners and one party has not done any clearing of their land, WBC will be writing to that party, update from J Steepe, that only one section of land has not been cleared properly and WBC will be contacting them.

160/2008 - CORRESPONDENCE AND OTHER MATTERS- The Stables/Jovike

Letter from a resident Re The Stables, Jovike, Wokingham Rd. Response sent to resident and Asst Clerk has spoken to Mr Mann, WBC, who is dealing with this. Mr Mann has been in telephone contact with the resident, and plans a site visit, which he will update us on. Mr Mann reported a meeting is being held on 24.6.08 with Enforcement, Legal and Head of Dev Control at WBC, no site visit has taken place. Cllr Black has spoken to resident and seen the situation, other Cllrs at WBC have been informed, it is possible that activities are causing land contamination.

Update on 16.7.08, Mr Mann is waiting for police to contact him to organise a joint operation. Ms Jackson has advised that she will update us on this matter within 10 days from 23.9.08. Mr Mann was on leave at the time of WBC's reply on 21.10.08. Cllr Pearce has spoken to Tim Wolford, and police assistance will be given to Mr Mann.

Asst Clerk emailed WBC to register our disappointment, that even with our involvement no further action has been taken. Photos of the site were shown to the committee. Action – letter to CEO detailing the length of time since this was flagged to WBC, and concerns about the message being given to offenders of this kind that no action is taken and the parish council is toothless – deferred

sending until meeting with Jeni Jackson. Subsequently it was agreed that sending the letter would be delayed until the end of February 09 to see if any action had taken place as promised. The site was visited twice by enforcement officers in Feb 09. Evidence has been collected and WBC to consider whether breaches of control exist, and what form of action to take.

Email from WBC on 22.4.09 and expediency report has been completed which concludes that it is in the public interest to take enforcement action against the storage of caravans on the site (B8) and also the unauthorised use of land for the siting of mobile home for residential purposes.

Enforcement notice was served and came into effect on 24.5.09 with a six month compliance period. Asst Clerk wrote to the residents who contacted FPC updating them on this. It was noted that the properties may be up for sale.

An appeal against the enforcement notice has been lodged and will be dealt with by Public Enquiry on a date to be advised. The Clerk will send objections to the Inspector and apologise for late submission. Letter sent 14th July. A Public Enquiry will be held in December.
