Chairman's opening comments

Finchampstead Parish Council has been invited to comment on the current proposal by 20th September and this Special meeting has been called because of the considerable interest in this topic from residents and the range of issues under discussion about the future of Nash Grove Lane.

We would like to invite residents and our Wokingham Borough Council ward members for Finchampstead North to share their views with us during the public part of this meeting to help inform any view the Parish Council may reach. It will also allow opinions to be shared in a public environment.

MEETING ADJOURNED 6.37pm, RE-OPENED 7.12pm

327/2010 – WBC's PROPOSAL FOR A PERMANENT PROHIBITION OF DRIVING ORDER FOR NASH GROVE LANE, FINCHAMPSTEAD, BERKSHIRE.

Cllr Mayne asked all councillors present to discuss the issues brought forward by residents and Ward Councillors and the matter was discussed fully.

As WBC has now decided to review the whole issue regarding rights of way, re-surfacing, Major Utility companies involvement and traffic data etc., it was AGREED it was premature for the Parish Council to form an opinion. The Clerk will advise Chris Baguley at WBC and ask for the Parish Council to be fully involved in the proposed Questionnaire to be put before all affected residents, both of Nash Grove Lane and the surrounding roads.

Cllr Mayne thanked all those who attended the meeting.

Meeting closed 7.25pm
