

**citizens  
advice**

**Wokingham**

Citizens Advice is a charity which helps people with problems ranging from benefits, debt, housing and employment law - to relationships, family, education, community care and discrimination. This is a free, independent and impartial service, delivered mainly by volunteers.

## Advice Task Force launched in Wokingham

Citizens Advice Wokingham launched a new **Advice Task Force** project on October 22. The project, funded by a small grant from The National Lottery Community Fund, will enable us to 'pop up' across Wokingham Borough over the next 12 months.

The **Advice Task Force** takes us out into communities across the borough, so that we can offer our advice and information services as people are passing by.

## FBC Centre – Monday 30 March 10am – 1pm

We will be coming to Finchampstead Baptist Church Centre Monday 30 March 10am - 1pm to provide our pop-up advice services. Please follow us on **Facebook (Citizens Advice Wokingham)**, **Twitter (@CitAWokingham)** or via **our website, [www.citizensadvicewokingham.org.uk](http://www.citizensadvicewokingham.org.uk)**, for further info.

### Launch success

On our first day we helped **nine people** with problems including **domestic violence, housing and anti-social behaviour**.

### Contact us

We are also accessible via our telephone admin line: **0118 978 7258** and our email: **[admin@citizensadvicewokingham.org.uk](mailto:admin@citizensadvicewokingham.org.uk)**.
