### **619/2022 FORUM**

- Cllr Cundy, Chair raised the question as to whether 'no objection' equals 'support' when considering applications and submitting comments to WBC.

Cllr Cundy, Chair expressed the view that whilst the Committee might not have reasonable grounds to object, they might prefer that a development didn't happen, or are impartial. The Committee may however support an application where they believe a development brings positive benefits to the Parish or area of the Parish. This was further clarified by the Planning Committee Clerk who referred to WBC's website portal where submissions for comments are categorised by 3 options - 'Object', 'Support' and 'Other'. Other is used for a 'no objection' comment or for a request to extend the end date for comments on an application.

Following some discussion, it was concluded that no objection does not therefore equal support.

- The Committee is hoping to hold the next Planning Committee meeting face to face at The FBC Centre, subject to Covid-19 restrictions. Cllr Cundy, Chair asked members of the Committee if they had anything further to discuss before bringing the meeting to a close.

### **620/2022 DATE OF THE NEXT MEETING**

The next meeting will be held on **Wednesday 13<sup>th</sup> April at 7.30pm.**

### **LOCAL GOVERNMENT ACT 1972 & PUBLIC BODIES (ADMISSION TO MEETINGS) ACT 1960**

It was resolved that as publicity would be prejudicial to the public interest by reason of the confidential nature of the business to be discussed, the Press and Public would be excluded from the meeting during agenda item number **621/2022 Enforcement matters.**
