

Update on the War Memorial relocation project

We are pleased to let you know that the War Memorial has been carefully and respectfully dismantled by professional stonemasons. In the coming weeks it will be fully cleaned and repaired before being re-erected in its new home adjacent to the Memorial Park, The Village.

The next stage with the project will be the works to the trees on the verge adjacent to the Memorial Park. This will commence on 9 August and will take around 3 days. The works will be in accordance with proposals approved as part of the planning permission granted for the project. Letters regarding the works will be delivered to all homes close to the Park.

Following the tree works the main contractor will be setting up their compound on site and the works to prepare the site for the Memorial will start. This includes constructing a base, setting out paths and creating a garden area. The work will be completed and the Memorial re-erected in the Autumn.

Full details of the project can be found at <https://www.finchampstead-pc.gov.uk/history/war-memorial/war-memorial-relocation>
